OUR STORY

In the 1950's the Shipley family first started entertaining the crowds at showgrounds across the Midlands.

The larger than life 'Big Jim' Shipley built up a mix of amusements, rides and traditional fairground attractions that proved a huge success.

The family business went from strength to strength and in the 1960's and 70's Big Jim's eldest sons, Harry and Jon, entertained their customers in a different way by opening amusement arcades and bingo clubs throughout the country.

Fast forward to today and the Shipley Brothers operate the biggest and best bingo clubs in the UK, named BJ's Bingo in honour of their father 'Big Jim'.

Big Jim loved his food so we've included some of his favourites in our menu. We hope you enjoy!
